## **TRADEMARK SECURITY AGREEMENT**

**TRADEMARK SECURITY AGREEMENT**, (the "Agreement") dated as of March 9, 2006, is made between The Fibre-Metal Products Company, a Delaware corporation (the "Grantor"), and the Credit Suisse, as collateral agent (together with its successors, in such capacity, the "Administrative Agent").

### **WITNESSETH:**

WHEREAS, the Grantor is party to the Guarantee and Collateral Agreement, dated July 19, 2005 (the "Security Agreement") in favor of the Administrative Agent pursuant to which the Grantor is required to execute and deliver this Agreement;

NOW, THEREFORE, in consideration of the premises, Grantor and Administrative Agent hereby agree as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Grantor hereby pledges and grants to the Administrative Agent for the benefit of the Secured Parties a security interest in and to all of its right, title and interest in, to and under all the following Collateral of the Grantors:

(a) Trademarks of such Grantor listed on Schedule I attached hereto; provided, however, that to the extent the security interest granted hereunder would cause the invalidation of any U.S. Trademark or service mark application which is the subject of the grant, such security interest shall not be effective against such trademark or service mark application, and the Administrative Agent shall not record its security interest in such trademark or service mark application, in each case until such time as a statement to allege use (or the equivalent) in respect thereof has been filed with, and accepted by, the United States Patent and Trademark Office;

(b) all goodwill associated with such Trademarks; and

(c) all Proceeds of any and all of the foregoing.

SECTION 3. Security Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and the Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Administrative Agent shall otherwise determine.

SECTION 4. Termination. Upon the full performance of the Obligations, the Administrative Agent shall execute, acknowledge, and deliver to the Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Trademark Security Agreement.

If any of the Trademarks shall be sold, transferred or otherwise disposed of by the Grantor in a transaction permitted by the Credit Agreement, then the Administrative Agent, at the request and sole expense of the Grantor, shall execute and deliver to the Grantor all releases or other documents reasonably necessary or desirable for the release of the security interest created hereby on such Trademarks.

SECTION 5. Counterparts. This Agreement may be executed in any number of counterparts, and each such counterpart hereof shall be deemed to be an original instrument, but all such counterparts together shall evidence but one instrument. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed original counterpart of each such instrument.

SECTION 6. GOVERNING LAW. THIS PATENT SECURITY AGREEMENT SHALL BE GOVERNED BY, CONSTRUED AND Interpreted IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK.

[signature page follows]

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very Truly Yours,

THE FIBRE-METAL PRODUCTS  
COMPANY
